Registration form(session and cookie applied to all the forms):

A screenshot of a registration form within the 'GLOBESETTER' application. The top navigation bar shows the 'GLOBESETTER' logo, a menu with 'Home', 'Packages', 'Services', and 'Review' items, and a user profile icon. The main area features a 'SIGN-IN' header above a form. To the left of the form is an illustration of a person wearing a headset and working on a laptop, surrounded by speech bubbles and icons. The registration form contains fields for 'First Name', 'Last Name', 'Mobile Number', 'Email', 'Password', and 'Confirm Password', with a 'Submit' button at the bottom. A status message 'localhost/try/Home.html#service' is visible at the bottom left.

The screenshot shows the GLOBESETTER sign-in page. At the top, there is a navigation bar with links for Home, Packages, Services, and Review, along with a user profile icon. Below the navigation bar is a large "SIGN-IN" button. To the left of the form, there is an illustration of a person wearing a headset and working on a laptop, surrounded by icons representing communication and technology. The sign-in form contains several input fields: two for "User ID" (both containing "123"), one for "Password" (containing "123"), and one for "Confirm Password" (containing "323"). A validation message box appears, stating: "Please include an '@' in the email address. '323' is missing an '@'." The "Submit" button is located at the bottom of the form.

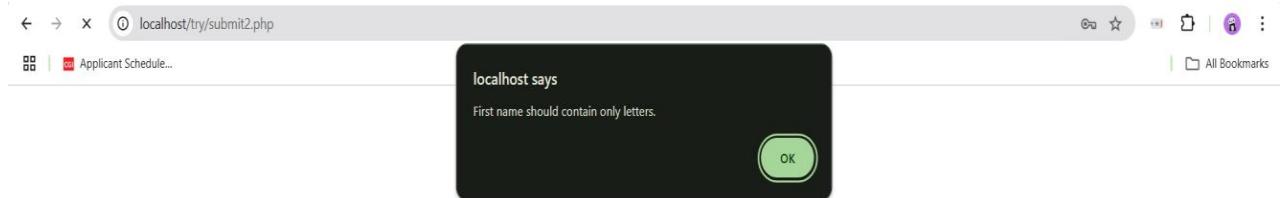

Password and confirm password matching:-

The screenshot shows the GLOBESETTER sign-in page. At the top, there is a browser header with the URL "localhost/try/contact.html", a refresh button, and other browser controls. Below the header is a dark overlay box containing the text "localhost says" and "Passwords do not match.", with an "OK" button. The main sign-in form is visible underneath, featuring the same illustration of a person in a headset. The input fields show the "User ID" and "Password" fields filled with "123", while the "Confirm Password" field contains "shankarshreya944@gmail.com". The "Submit" button is at the bottom of the form.

Database(hashed passwords for authentication):

A screenshot of the phpMyAdmin interface. On the left, there's a sidebar showing various databases and tables. The main area is titled 'Server: 127.0.0.1 > Database: booking > Table: tourists'. Below the title, there are tabs for 'Browse', 'Structure', 'SQL', 'Search', 'Insert', 'Export', 'Import', 'Privileges', 'Operations', 'Tracking', and 'Triggers'. The 'Browse' tab is active. A green status bar at the top says 'Showing rows 0 - 1 (2 total, Query took 0.0004 seconds.)'. Below it, a SQL query 'SELECT * FROM `tourists`' is shown. The results table has columns: id, first_name, last_name, mobile, email, and password. One row is displayed: id=7, first_name='Shreya', last_name='Shenkar', mobile='1234567890', email='shankarshreya944@gmail.com', and password='...'. There are buttons for 'Edit', 'Copy', 'Delete', 'Edit', 'Copy', and 'Delete' next to the row. Below the table, there are buttons for 'Show all', 'Number of rows: 25', 'Filter rows: Search this table', 'Sort by key: None', and 'Extra options'. At the bottom, there are buttons for 'Print', 'Copy to clipboard', 'Export', 'Display chart', and 'Create view'. A 'Query results operations' section includes 'Bookmark this SQL query' with a 'Label:' input field and a checkbox for 'Let every user access this bookmark'.

php mailer(mail sent by Globesetter):

The screenshot shows a Gmail inbox with 1,832 messages. An email from 'Globesetter' is selected, with the subject 'Registration' and recipient 'to me'. The email body says 'Thank you, Shreya!' and 'You have successfully registered on our website.' It includes a logo for 'Help A Child' and a message 'Empower Students. Propel Dreams.' Below the message is a 'Disclaimer' section stating: 'This email is governed by the Disclaimer Terms of somaiya.edu which may be viewed at https://www.somaiya.edu/en/email-disclaimer'. It also includes a note: 'Finally, please do not print this email unless it is necessary. Every unprinted email helps the environment.' At the bottom are 'Reply', 'Forward', and 'Compose' buttons.

After clicking on submit the admin is directed to an admin panel where he/she can modify data:-

The screenshot shows a web browser window with the URL `localhost/try/admin_action.html`. The title bar says "Admin Panel - Manage Users". Below the title, there is a form with a dropdown menu labeled "Select Action:" containing the options "Select an action", "Insert", "Update", and "Delete". A green "Execute" button is at the bottom of the form.

This screenshot is identical to the one above, but the "Insert" option in the dropdown menu is highlighted with a blue selection bar.

Insert:-

The screenshot shows the "Admin Panel - Manage Users" page with the "Insert" action selected. The form contains several input fields: "Name" (with placeholder "Enter Name"), "Destination" (with placeholder "Enter Destination"), "Amount" (with placeholder "Enter Amount"), "Mobile" (with placeholder "Enter Mobile Number"), "Email" (with placeholder "Enter Email Address"), "Rooms" (with placeholder "Enter Number of Rooms"), "Guests" (with placeholder "Enter Number of Guests"), and two date pickers for "Check-In Date" and "Check-Out Date" (both with placeholder "dd-mm-yyyy"). At the bottom is a green "Execute" button.

After filling the form:-

The screenshot shows a browser window with the URL `localhost/try/admin_action.php`. The page title is "CGI Applicant Schedule...". Below the title, a message reads "User record inserted successfully." There are standard browser navigation buttons (back, forward, search) at the top.

Database where the user 'devina' was inserted:-

The screenshot shows the phpMyAdmin interface connected to a MySQL server. The left sidebar shows databases like booking, booking_db, contact_db, and test. The main area is titled "Table: users" and displays a list of users with columns: id, name, destination, amount, mobile, email, guests, rooms, checkin, and checkout. A row for user "devina" is visible, showing "id": 7, "name": "devina", "destination": "hawai", "amount": "0.00", "mobile": "9876543201", "email": "devina@gmail.com", "guests": "2", "rooms": "4", "checkin": "2024-11-15", and "checkout": "2024-11-23".

Update:-

The screenshot shows the "Admin Panel - Manage Users" interface. It has two input fields: "User ID:" with placeholder "Enter User ID" and "Select Field to Update:" with a dropdown menu showing "Name" and a text input field below it with placeholder "Enter new value".
